DEDICATION

The CREST staff of Homestead High School dedicates this 1963 CREST to the Homestead Board of Education.

The institution of which we are a part has become a reality because of your vision, foresight, planning, and perservence. Your dedication to the cause of good education, your devotion to the youth of Thiensville-Mequon, and your optimistic outlook upon the contributions of today's students toward America's future is a source of inspiration to all of us.

TO THE CLASS OF 1963:
As members of Homestead's second graduating class you are the first group to have spent four years as students at Homestead High. You have been a vital influence in the establishment of traditions, values, and standards for your school. You may be sure that your contributions have been deeply appreciated, and will not soon be forgotten.

When you leave us we are expecting that you will continue to grow, develop, and to contribute to your communities and to our nation. May your standards always be high and your goals far-reaching. That which you cherish you will also respect and honor. Class of 1963, you are our ambassadors throughout the nation and indeed the whole world. Our congratulations and best wishes go with you. We rest assured that you can measure up to the challenge.

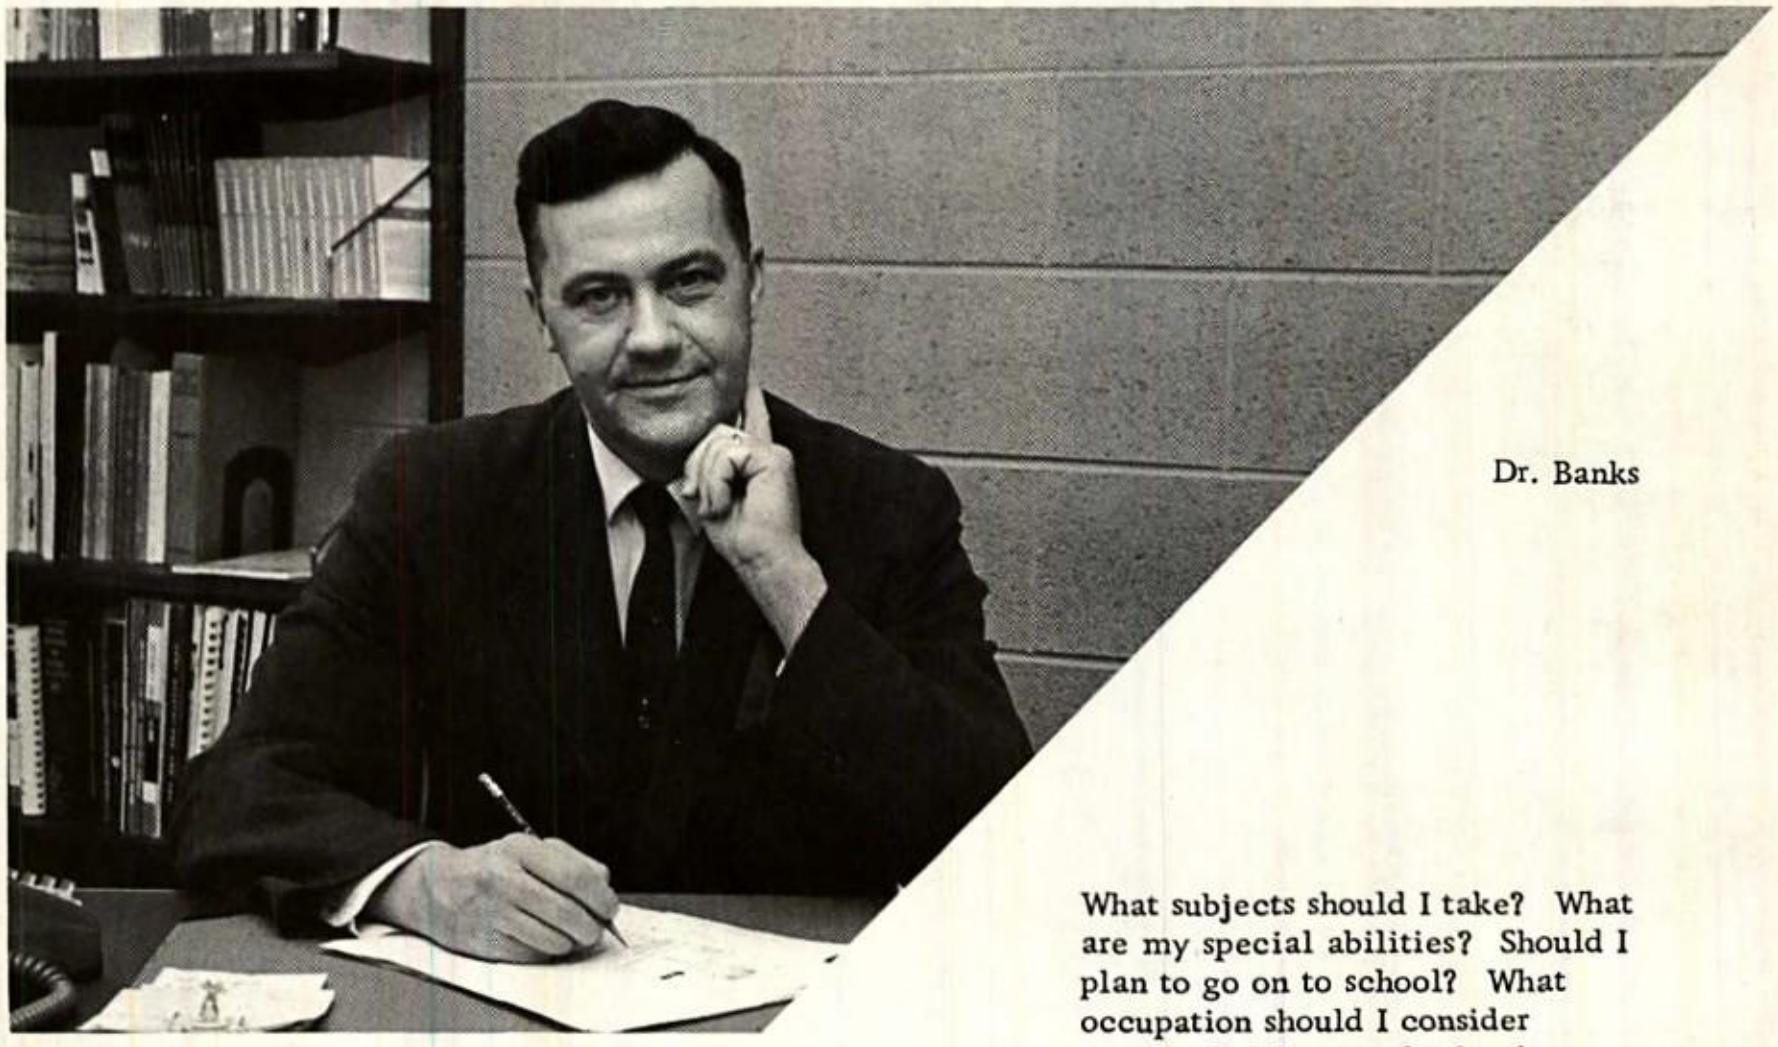
FACULTY

Our teachers are influential not only as scholars who present us with knowledge and facts to learn, but also as understanding adults who advise us and lead us. In our clubs, dances, musical activities, and sports, they support us and assure us of our undertakings. They laugh with us, sympathize with us, and share in our triumphs. They are our counselors, our instructors and our friends.

GUIDANCE HELPS US TO UTILIZE OUR EDUCATION



Dr. Banks

What subjects should I take? What are my special abilities? Should I plan to go on to school? What occupation should I consider entering? These and other key questions about a student's future are answered in Homestead's Guidance Office.

SENIORS

The senior year is the most memorable one. It is a year of growing, of seeking, of learning, and of knowing. It is the time when we look back on our junior, sophomore, and freshman years and marvel at the changes both in ourselves and in our classmates. It is the frantic period we spend trying to meet all the people we haven't met, do all the things we haven't done, and learn all the facts we haven't learned. It is a year not to be forgotten.

UNDERCLASSMEN

They start as frightened, timid freshmen. They fear everyone but no one fears them. They become boastfull, all-knowing sophomores. They lord it over freshmen but walk in awe of juniors. The year drags and they are juniors--school-minded, self-minded, working to the day they'll be seniors and fear no one.

CALENDAR

This year's Crest is recapturing the year's events and placing them in chronological order. Remember our first Homecoming and how disappointed we were when it rained? Also, do you remember Chip Elbe's fairy-tale shot which won our basketball game against Memomonee Falls? Many of these wonderful memories we hope to bring back to you after seeing this year's edition of the "Crest" yearbook.

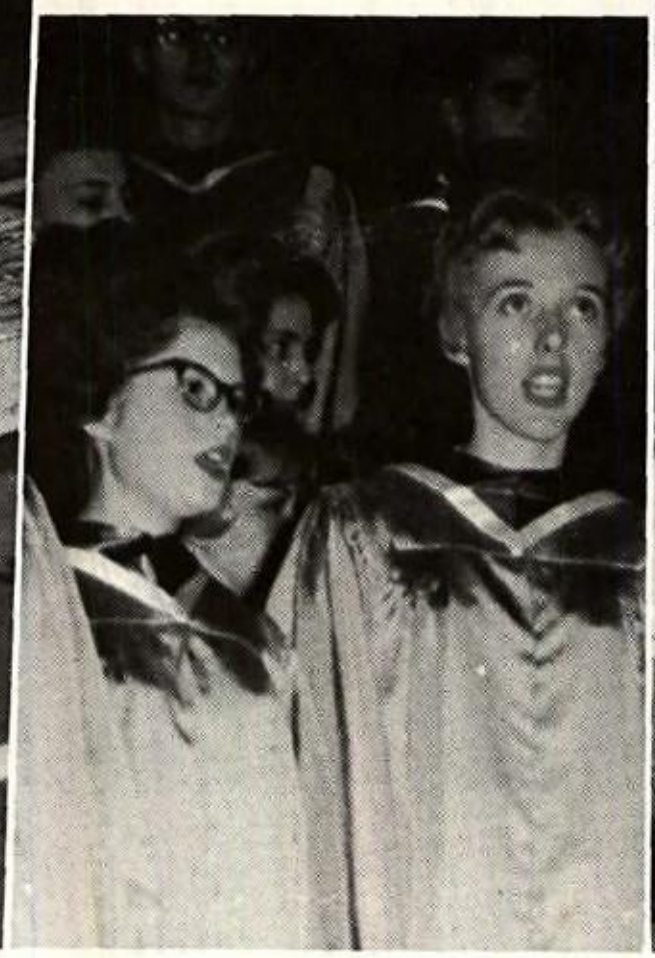
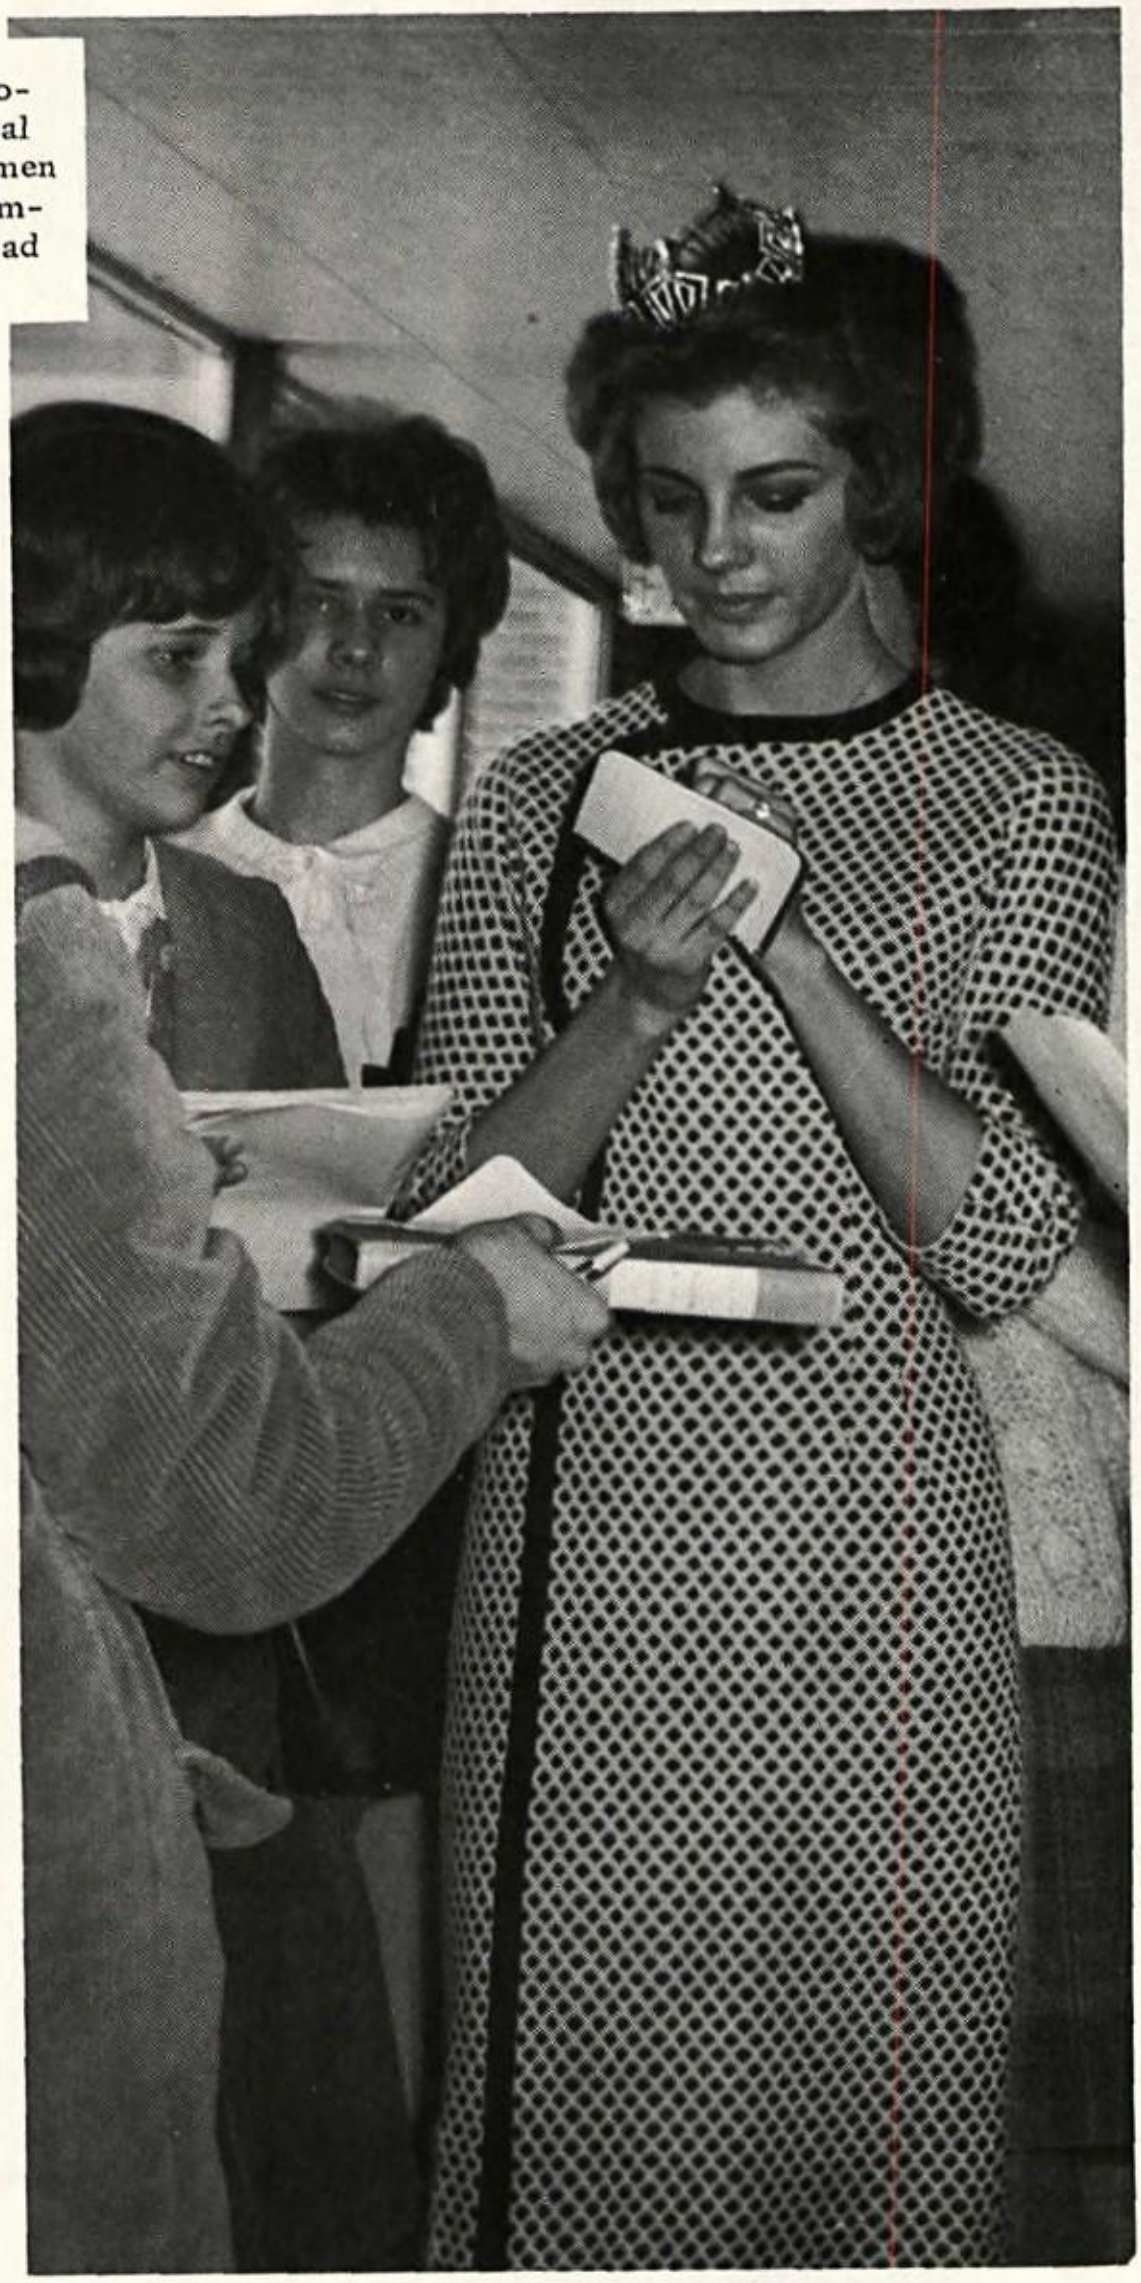
DECEMBER RINGS . . .

Miss Anderson and Mr. Confare presented their annual Christmas Concert which was enjoyed by all. Both teachers work very hard to keep Homestead's music department on the high level for which Homestead is known.



AND JANUARY BRINGS . . .

Miss Joan Mary Engh, Miss Wisconsin-1962, provided a living example of the poised and natural young woman she urged Homesteads young women to be. Her charm and her words left a lasting impression upon the "better-half" of the Homestead student population.



MISS WISCONSIN

FAIR FEBRUARY CAME

The French Club helped us to celebrate the coming of Lent in the usual French tradition of a Mardi Gras Party.

Art students busily prepared drawings for several competitions. Both the Ozaukee County Art Show program cover and the Bagpipe Literary Magazine cover gave Homestead's would-be artists opportunities to display their art talent.

Queen Andrea Huguet

Pat Mulligan, Queen Andrea Huguet, Jackie Mueller.

We experienced another first in 1963. Eight schools of the Braveland Conference participated in the first Homestead Indoor Invitational Track Meet held at Baker Field House on April 14. It is the hope of all that this type of event can become an annual occasion.

FATHER-DAUGHTER BANQUET

The third annual Father-Daughter Banquet, sponsored by the Home Economics Club, was held this spring. After a delicious dinner, entertainment was provided by talented students from Homestead.

IN THE MERRY MONTH OF MAY

Bob Reimer, Bambi Seip, Doug Grimm, Marilyn Lerand, John Wicker, Alice Denning, Queen Janis Wittig, King Joel Hafner, Nancy Koberstein, Dave Bock, Joanne Berres, Chip Elbe, Mary Schober, Mike Kiefer.

The 1963 "Rhapsody In Blue" Junior Prom was an elegant evening for all. The Juniors worked diligently trying to make this annual affair a big success. The coronation of the king and queen was held at 10:00 P.M. They were crowned by last year's royalty, Dallas Kroll and Cheri Brill. Following the Prom, a post-prom party was held at Parc-Wood Country Club by the Rotarians. Here elegant prom-goers ate a delicious dinner and danced 'til three. This certainly was a night to be remembered by everyone who attended.

SPORTS

The band plays! The cheerleaders leap, and the crowd roars! The winning point is made in the last few seconds of the game. We support our fine teams and encourage them by cheering at games, buying pom poms, and making posters. Our athletes represent our school. They stand for sportsmanship, clean competition, and the good physical well being with which we want to associate ourselves.

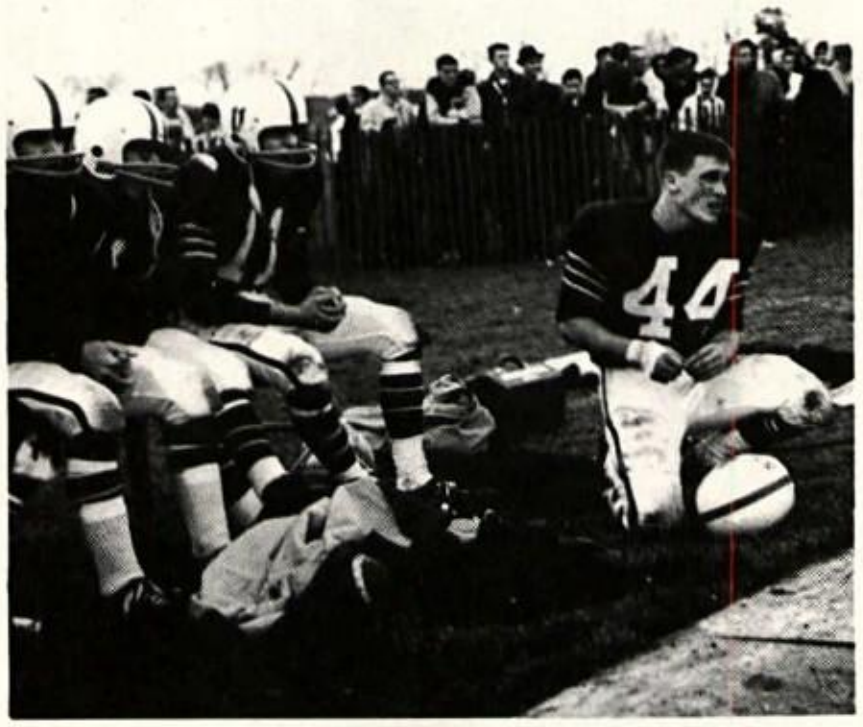
Homestead High School belongs to the Braveland Conference and we are proud of this accomplishment. This conference is one of the toughest to compete in and considered one of the best in the state. We accomplished something that a new school is not likely to do. We lost the Conference Football Championship by six inches. Our team has worked hard to become the best in the conference. We hope to have this honor next year.



L to R: Fred Krautkramer and Bob Slick

Homestead High School was very honored when tackle Fred Krautkramer and fullback Bob Slick were named to the first team in the Northern Division of the Braveland Conference. Barry Schockmel, right half back, was named to the second team. Bob was also elected by his teammates as "Most Valuable" player during the football season.

ACTIVITIES AND SERVICE

We, the students of Homestead High, are individuals with separate interests, talents, and tastes. We express ourselves and our interests by joining clubs, going to dances, participating in school plays and serving on committees. When we prepare a report for a club or a rebuttal for Debate, play a horn in pep band, or demonstrate an experiment for science club, we use our individual talents and fulfill our individual interests.

BADGER BOYS' AND GIRLS' STATE

Homestead was very proud in sending three girls to Badger Girls' State in Madison and three boys to Badger Boys' State in Ripon. For one exciting week these students learn how a state government works. There is campaigning and actual elections for offices. We were especially proud of Pat Reck, who was elected to an office.

Mary Speath, Pat Reck, Cathie Chrzan, Frank Vedder, Joel Hafner.
Not Pictured: Andy Dunar.

CHERYL LEMKE

This friendly face can be found in the library. She is Miss Koplein's assistant. Cheryl, a former student from Homestead, can be seen doing anything from fixing damaged or worn out books to putting clippings into the up-to-date scrap book.

MISS HORKAN

Each student at Homestead knows this lady. She's Miss Horkan, our nurse who helps us in every way possible if we have a problem concerning our health. She's the woman who is respected and admired by all for her dedicated role to help not only us but all the people in the Thiensville-Mequon area.
